Dinolift Oy is a Finnish company that manufactures and sells high-quality DINO aerial work platforms since 1974.

DINO platforms allow you to work above ground safely and effectively, while offering an enjoyable user experience from ground up. DINO lifts have been sold to more than 40 countries around the world, with exports accounting for 75% of production. The company's main markets are in the Nordic countries and in northern Europe.

Technical specifications are subject to change without prior notice.
